LEESLEY BROTHERS NURSERIES

Are situated in the northern part of the City Limits, in one of the most fertile districts in Illinois. Our nurseries are easily reached either by the Northwestern Railroad, with stations on both sides of the Nurseries, or the North Crawford Avenue Car Line, which runs within one-half mile of our grounds.

Two branches of the Northwestern Railroad running through our grounds with a private switch, warehouse and packing sheds, the Chicago, Milwaukee and St. Paul R. R. at a short distance, all of the Express Companies near at hand offer us unsurpassed facilities for shipping stock. In addition to this we have installed three motor trucks to insure quick deliveries. Where the distance from the nursery is very great we shall make a small charge for cartage, but this will always be specified before delivery is made.

REMITTANCES

should be made by Postal or Express Money Orders, Bank Drafts on Chicago or by Registered Letters, made payable to the order of LEESLEY BROS.

P R I C E S

do not include packing, which will be charged for at cost. Five will be furnished at the 10 rate and 25 at the 100 rate. No charge for delivery to the express companies or railroads. Certificate of inspection furnished with each shipment.
